

# GLOBAL CAREER & EMPLOYMENT WEBSITES

THE UNIVERSITY OF  
MELBOURNE

This document has been compiled for the benefit of Australian and international students who are interested in work or a career overseas. It aims to serve as a quick and easy guide to some of the most useful employment web sites on the Internet. However, due to the extremely fast rate of change on the web, the currency of all sites cannot be guaranteed. Please let us know if you are aware of any additional sites which merit inclusion. Further information on living and working overseas is also available in the *International Employment* section of the Careers Resource Centre (CRC). Some of the resources include: continent folders, labour market flyers, employer information and an array of books and leaflets.
